NOTIFICATION OF BLASTING OPERATIONS SETON RIDGE

This is to inform you that construction operations for Seton Ridge (205 Lacewood Drive) will be commencing shortly. As part of these operations, we wish to advise that the blasting required to complete rock excavation will be commencing **on or about** October 1st, 2024, with an anticipated duration of **approximately** six months. There will be no blasting on weekends or statutory holidays.

While these blasting operations will be noticeable to occupants of nearby buildings, the project is monitored to ensure compliance with HRM Blasting By-law B-600.
