

Construction Site - Lucknow Street

Please be advised that on **Thursday, March 26, between 11:00 AM and 12:00 PM**, contractors at the neighbouring development site will be conducting an evacuation drill as part of their safety procedures.

During this time, you may hear horns and notice workers exiting the site and proceeding to the designated muster point at the site trailer towards the back of Park Plaza (1055 Lucknow).

There may also be a brief increase in activity and noise in the parking lot as part of the drill.

For ongoing construction updates and notices, please visit southwest.ca/fortuna.

Thank you for your understanding and cooperation.
