Les Clefs d'Or is a society of hotel concierge whose aim as an organization is to facilitate the exchange of ideas between our members and to provide mutual assistance in order to better serve our valued hotel guests. Canada was accepted as a National Chapter into the International Association known as the *Union Internationale des Concierges d'Hôtels* (UICH) as the 18th country in 1976, and since then the association has grown to encompass over 42 countries with over 3500 members.

The crossed golden keys worn by concierge signify their membership in our organization, and our motto "*In Service Through Friendship*" embraces our fundamental principals of cooperation and communication.
