RECEIVE YOUR DELIVERY

Orders are delivered between 12:30-4:30pm on Tuesday & Thursday

NOT HOME DURING THE DELIVERY TIME? NO PROBLEM!

Most clients are not home when we deliver, so we ask that you leave a hard sided cooler with an ice pack on your front porch in a shady area. Our delivery drivers will deposit the meal in your cooler.

FORGET TO PUT A COOLER OUT?

If there is no cooler outside when we leave your order, we will leave a thermal bag. Thermal bags cost \$5.95 each and will be charged to your account at the end of the week with your meals. You're encouraged to bring the thermal bag back to our store and receive a credit on your account.

WANT TO ADD TO YOUR ORDER?

No problem! Ask us for our food shop menu and have any of our food to go added to your order!

FOOD INTOLERANCE & ALLERGIES

For our "Kitchen Door to Door" program we are unable to make modifications or substitutions. Although we can provide a list of ingredients upon request, cross contamination is always a risk and those with life threatening allergies should not consider our food "safe". If you have any food allergies or sensitivities you need to make sure we are aware of those every time you order a meal. We do not have a system that can track individual allergies.
