

CUNARD DEVELOPMENT
Tuesday, October 12th, 2021

Southwest Properties is the developer for the mixed-use residential project being constructed at 1325 Lower Water Street on the Cunard lot.

This Thursday, October 14th at approximately 9:45 a.m., the construction team will be conducting a site safety training drill for a period of one hour.

You may hear and witness some site activity taking place during the training session that will involve an evacuation and a critical lift orientation. The sound of a long air horn will be followed by all personnel gathering to one muster station on the north side of the Cunard site. The drill will also include a critical lift rescue rehearsal and Department of Labour will review safety and fall protection procedures.

Any questions pertaining to site activity can be directed to Southwest Properties at urbanhalifax@southwest.ca
