

CUNARD DEVELOPMENT

Dexter Construction, a subcontractor on the CUNARD development, has been completing storm and sewer work to the site.

The sidewalk closure on the east side of Lower Water Street (in front of Cunard lot) will be extended (**Monday, November 22nd through to Friday, November 26th**) to reinstate asphalt and curbs. Work will be weather dependent.

The partial closure will have bike and pedestrian traffic diverted to the opposite side of the street in front of Waterfront Place condominium.

There are no planned disruptions to local services or vehicular traffic during this scheduled, Halifax City approved work.

All site work is in adherence to HRM's working hours and noise by-laws.
